2016 Community Market for Farmers & Crafters

Wednesday Mornings 9 am - 1 pm

The Wiscasset Parks & Recreation Department is looking to start up this new program for our local farmers and crafters to show off their hard work. We are looking to run three seasons this year and for many years to come. Just getting started and looking for participation, recommendations and donations. Any and all would be welcome and appreciated. Donations can be made to the Wiscasset Parks & Recreation Department, Community Market Program.

Attention all farmers and crafters we are inviting you to participate in our market happening **every Wednesday morning from June 1, 2016 thru October 19, 2016**. This is a new venture for the WPRD and we feel that our community is in need of a program like this one to give everyone access to locally grown and locally made products. Starting on **June 1st, 2016** the Wiscasset Community Center and its sponsors will be hosting the Community Market for Farmers & Crafters.

We will be hosting this program at the Wiscasset Community Center on Route 27 in or around our parking lot. All spaces are approximately 10'x 15'. We will have spaces marked out on the pavement (approx. one parking space) available for each vendor. All spaces will be marked by green paint and a number. We are taking the corner of the back parking lot and blocking it off to our patrons to allow for the safe and easy set-up of your displays. Our goal is to have a variety of food interests as well as locally made crafts available for our area communities. Wednesday mornings are traditionally very busy for the Wiscasset Community Center and should give great foot traffic for this program to succeed. There is also a local Flea Market (Montsweag) that is open on Wednesdays throughout the summer giving us access to additional people in the area to enhance foot traffic.

Take the time to specify the type of food and /or craft that you are selling on the registration form, this will allow us to spread out like products on our lot. Please no **"MISC."** categories, hoping to offer a variety of foods and crafts to create a great market for everyone, this is to your benefit. If you are selling food you will also need to provide us with a copy of your state permits / licenses and certificates of insurance.

Fees : Member: \$ 100.00 (approximately \$4.00 per week) Guest Member \$40.00 (\$10.00 per week for minimum 4 weeks)

All donations received will be used to promote and enhance our Community Market for Farmers & Crafters.

Please fill out the attached registration form and return it to: Wiscasset Community Center
242 Gardiner Rd.
Wiscasset, Maine 04578
c/o Community Market for Farmers & Crafters Program

Registrations are available and will be reviewed for acceptance on a first come first serve basis. All registrations will be considered, once acceptance and approval has been given then you will be asked to become a Community Market member. Thank you for your interest in our market and we look forward to seeing you.

If you have any questions or concerns please contact us at the WCC (882-8230).

Ask for Duane (dgoud@wiscassetrec.com) or Todd (tsouza@wiscassetrec.com)

Thank you for your continued support
