All registrations taken in after Saturday, April 1st will be assessed a \$10.00 late fee.

Wiscasset is excited to join together with the Boothbay Region, Richmond and other area towns to provide an age appropriate Baseball / Softball League. The Cal Ripken League will give our youth a more competitive and successful experience based on similar age and skill level. Both divisions will play teams from other Cal Ripken Leagues around the area.

Players 8 years old (as of April 30, 2023) must fill out a petition up form to play at the Minor / Major Levels. Minor Level players need to make out a petition up form as well to play at the Major Level. **Petition up forms are available online or at the front desk of the WCC.**

All new players must bring a copy of their Birth Certificate to the Skills Assessment Day. This is to verify their age as of April 30th.

Help us make this a great and positive experience for both our youth and our communities. **PLAY BALL!!**

Enjoy Baseball / Softball this Year!

Become a Sponsor, Volunteer Coach, Umpire or Team Parent!
